Vision and Ethos

Oasis' vision is one of community transformation. It is about people, aspiration, opportunity, education, employment and enterprise. It is about creating safe and inspiring local neighbourhoods. Places where people feel safe, happy and proud to live, learn and work alongside one another, where every person is valued and can reach their full potential.

There are five core values at the heart of the Oasis Ethos:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

In our Academy we wish to create a culture of learning within a secure, caring and stimulating environment, where pupils are happy, enthusiastic, motivated and ambitious. We encourage mutual respect, support and collaboration between all adults and pupils, both within the academy and the wider community.

This can be done most effectively when all staff, parents and pupils understand their responsibilities and work together towards the same goals, as detailed in our home/academy agreement.

Working in Partnership for Success

The Academy will:

- Maintain a high standard of education, keeping in line with national government requirements, within a balanced curriculum.
- Care for each child's safety and well-being.
- Endeavour to meet the requirements of pupils whatever their needs to achieve their full potential.
- Ensure that each classroom is a positive and stimulating learning environment.
- Set homework to extend the curriculum work from class.
- Teach pupils to develop a positive attitude towards everyone regardless of difference in gender, race, culture, belief, values, age, and need.
- Help pupils to understand their role in the local community.
- Communicate effectively and sensitively with parents through:
 - Regular meetings to discuss the progress of pupils, indicating strengths and areas for development through individual targets.
 - Provide prompt information about behaviour or class work that may be a cause for concern or celebration.
 - Provide clear information about homework tasks.
 - Provide short training sessions on supporting pupils at home in specific curriculum areas.
 - Provide opportunities for parents to become involved in academy life.
 - Provide information to parents about academy activities through regular newsletters, open days, meetings and the annual report.
 - Make available all relevant academy policies, for information.

Together we will:

Value one another as partners with our pupils.

Listen to and support each other in our aim to provide the best education for our pupils
