Winter Weather

Oasis Academy Shirley Park Primary Phase

September 2023

- If the academy is closed, we will let you know via text by 7.30am in the morning. As we are an all-through academy, if the secondary is closed then the primary is closed, and vice-versa.
- We will always try to stay open; you should prioritise safety first when deciding if your child can come to school in the case of snow. If you cannot get your child to school safely, then let us know. Your child can then use their iPad to access learning apps throughout the day.
 - If we do not open, staff will send work home via IPADS, or email for the nursery. One of the children's afternoon activities will be to enjoy the snow, if you can make that happen!
 - If school stays open, but there is snow coverage, then children will come into school, and leave at the end of the day, through the same gates and entrances as they do now, but we will grit all areas. Take care while on the school site.
- If we think it beneficial for you to collect your children early, we will let you know throughout the day. If you cannot collect your child early, we will keep them in school as normal. If you come to collect your child before 3pm, you should go to the main reception on each site. At 3pm all children remaining will be at their normal exits for normal dismissal. Children who can walk home alone will be kept until 3pm, unless you let us know to let them go early.
