Starting Nursery can be very exciting, but you may have a few questions...

What will happen if I get hungry or need a drink?

We always have water for you to drink. Your grown up can order you milk to have at nursery also. Every day we have fruit to eat.

What will happen if I need the toilet?

You have toilets in your classroom and an adult is always there to help you.

Will I make friends?

Yes! We will make sure that we support you with the skills that you need to make friends, we also learn and practice our Oasis habits of kindness at Nursery.

What will I wear to Nursery?

At Oasis we are very proud of our school uniform, and we know you will be too!

What will I wear when I am playing outside?

When you play outside it is really important you have the correct clothing to keep you safe and warm. Please bring your hat, coat and wellies during the colder months.

What will happen at Lunch time?

Not everyone has lunch at nursery but If you do stay for lunch you will get to eat with your friends in your classroom.

You will need to bring your own special packed lunch or order a school meal.

What will happen at home time?

Your adult will be waiting at the same door that they dropped you off at. They will be very excited to hear about your day.

We cannot wait for you to join us in September.
