Happy Diwali

By Esther Archer

On the week beginning 6th November 2023, we celebrated Diwali. We would like to wish everyone a very Happy Diwali and show respect for their beliefs. We approached several teachers to understand the significance of Diwali, and they explained that it is a festival celebrated by Hindus, Sikhs, Jains, and some Buddhists. It is known as the Festival of Lights. We hope you have a good day!

In ECO Club, we have been talking with Miss El- Farzazi about the world and how to be sustainable. We asked her opinion about pollution and how we can stop it. She said that it is unfair, and we are part of the planet, and we are killing it. We also asked her how to make a sustainable Christmas. She shared some top tips:

1. Choose a gift that lasts. ...
2. Shop locally. ...
3. Choose handmade gifts, cards, crackers and decorations!
 4. Or second-hand... ...
 5. Switch to eco-friendly wrapping paper. ...
6. Look into alternative Christmas trees – rent, or turn your houseplant into a tree! ...

We raised money for Children in Need

By Esther Archer

Two weeks ago was Children in Need. On behalf of the Oasis community, we wanted to express our gratitude for all the donations that *Oasis Academy Shirley Park* has made. Together, we have raised an amazing amount of £401.41. Thank you so much for all your contributions once again.

We have been asking people around the school for their opinion on the matter, and some have said, "I think that everyone should be treated the same, and everyone should think they are cool and beautiful on the inside and the outside."

<p>The first day of year 4</p> 	<p>for Teliviah</p> 
<p>It is the first day of year 4, and Teliviah is feeling nervous. She doesn't know if the big kids will be mean to her or not. She also misses her friends from year 3.</p>	<p>Outside her classroom, Teliviah can't find her bag. Last year, Mr Rose her old teacher, put her bag at the front so she could find it easily. This year however, her new teacher has put hers somewhere else. "2 minutes till class starts" Shouted her teacher! Teliviah hurriedly put her bag on her friend elina's bag. Oh no!</p>
	
<p>In class Teliviah is learning about presentation and keeps making wobbly margins and forgetting to underline her WALT and date. She thinks year 4 will be harder than ever!</p>	<p>"10 minutes of iPad time!" Cried her teacher. "Ydy!" Screamd the class. On her iPad, Teliviah went on line a sketch. She drew lot's of incredible drawings. "This is ok!" She said. She drew a gold computer game.</p>

Telinah finally went out to break. She hoped that her friends would be waiting for her. She went to the grass and hid a few cartwheels and landed in the splits. She realised that a few kids were clapping. "Wow!" "Go!"

At line up time, a girl called Kalem pushed her just to get to the front of the line. Telinah grazed her arm causing it to bleed. None of the teachers would listen to her and just told her to get in the line.

But luckily, a boy named Rico a school counsiler, walked up to her and said: "Silly people." "They don't even bother to look at you." At last, She thought, A person who cares! He told a first aider and they made her arm better.

In class, Telinah got everything right so as a reward, her teacher decided to teach her favorite lesson... Art. During art, her teacher made lots of jokes. She thought, year 4 will be the best year ever!
