- YEAR 1: GEORGE AND THE DRAGON
- YEAR 2: GRANDAD'S ISLAND
- YEAR 3: LEON THE PLACE BETWEEN
- YEAR 4: THE MIRACULOUS JOURNEY OF EDWARD TULANE
- YEAR 5: THE VIKING BOY
- YEAR 6: ROSE BLANCHE

Last term, the children read the following books. When I spoke to the children, they said they really enjoyed the books they read as they had improved their vocabulary, worked hard in their writing, and made them want to come to school more to find out what happened next.

We want to ensure the children continue enjoying their books in the second spring term, so please let us know your opinions.

By Esther

On behalf of our school, we would like to thank the school community for the lovely contributions you have made to support people experiencing homelessness and those in need. These donations have been sent to Nightwatch.

The contributions were so significant that we had to use two tables and one shelf to hold all the food.

Thank you all so much. I am sure the community will appreciate it.

What would you like us to write about?

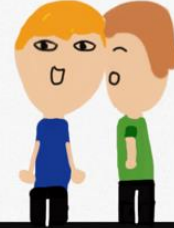

If you have anything you would like us to write about that has happened over the Spring term, please tell your class teachers and they will pass it on to Mr. Rampersad...

The Last Whisper

meet believe ,believe has diabetes and has trouble walking ,Believe has a BFF called tehillah

One day, she was going to school with her BFF Tehillah when, she spotted two boys whispering things and laughing at her.

Believe began to cry and she wrapped her arms around Tehillah. The boys began to laugh. "Scardey cat! Boo Boo!" They chortled. Tehillah scowled and marched up to them, leaving poor Believe behind. "Sol!" She shouted. "You think you can mess with my BFF huh?" The boys smiled and nodded, then laughed again!

Tehillah's face grew crimson red with anger. "Let's see how you like it!" She screamed and slapped them both in the face.

The boy's mouths began to wobble, then they started to cry.

"Who's the scardey cat now?" Tehillah cackled. Believe smiled at Tehillah. Then laughed. "Let's tell Niki!" She cried.

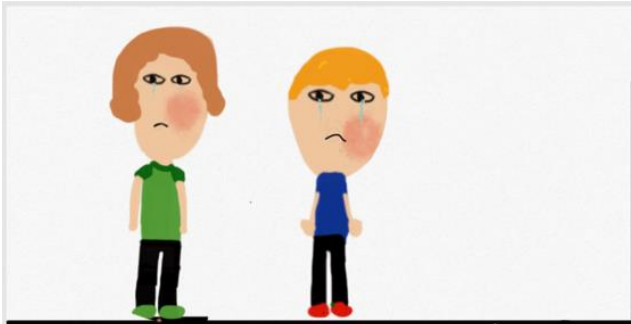

Tehillah grinned from ear to ear. "Let's tell everyone who is your friend!" When they arrived at school the boys were inside crying.

"Tehillah how dare you slap these boys!"

Barked their teacher. "What did they do to you?" "Well," Said Tehillah. "They were whispering things about Believe, then laughing."

The teacher screamed at the boys, telling them that they would be expelled. Mrs let them say their farewells to their friends before they left. They told all of their friends and they were afraid. And that was the last whisper anybody said in the school.
