

# Are you claiming free childcare for your 3 or 4-year-old?

**ALL** 3 to 4-year-olds in England can receive 15 hours of free childcare each week regardless of whether you or your partner work.

## Working parents

Most working parents are eligible for 30 hours of free childcare each week. If you (and your partner, if you have one) work then you will be entitled to 30 hours of free childcare if you (and your partner) earn the equivalent of 16 hours per week at national living wage (i.e. £146.56 per week at the current rates).

If you would to speak to someone at the Academy please call 0208 656 0222 (option 1) or email: [primaryadmin@oasisshirleypark.org](mailto:primaryadmin@oasisshirleypark.org).

We are happy to help!

## Other information

The 30 hours free childcare entitlement can be used with any approved childcare provider (i.e. nursery or childminder) and can be split across more than one provider. For example, your child could attend a nursery setting for 15 hours and the remaining 15 hours could be used with a childminder.

## Why choose Oasis Academy Shirley Park?

Here at Oasis, we understand the importance of your child having the best start in their education, and we work hard as a family of staff to make this happen.

Working in partnership with you, your child will be guided through their emotional, social and physical development preparing them for primary school, in a play-led exciting environment. A successful transition from nursery to reception means the child settles quickly into school, learning and developing from day one.

At Oasis Academy Shirley Park, we offer part time (15 hours) nursery spaces and full time (30 hours) nursery spaces. **Our Nursery at OASP caters for children in the year before they start in Reception Class and children join in the September after their 3<sup>rd</sup> birthday.**
