

Learning Together, Achieving Forever

English

Reading - All children will engage with quality literature and poetry which tell different stories from different people. All children will explore a diverse range of academic text with a focus on acquiring a deep and word rich vocabulary. We will use VIPERS for our comprehension skills.

Writing - All children will experience texts that reflect cultural, social and linguistic diversity, as well as introducing a world beyond the familiar. Focussed learning will be the foundation of every lesson with an emphasis on knowledge and skills that are spaced, progressive and revisited.

RE

During RE lessons, we will be identifying what beliefs are. Identify how what challenges are faced by people based on their beliefs and how to overcome these challenges. Identify meaning from quotes and restate them in our own words. Comparing and contrasting people different beliefs. We will be focusing on the religion Hinduism.

PE

Over the term we will be focussing on two topics in PE. In Outdoor PE the children will be learning about Fitness, Adventurous Activities, Swimming and Tactical Application. Please ensure your child wears their PE kit to school on their PE days. PE will take place on:

Cypress – Monday (Indoor) and Wednesday (Outdoor)

Laurel - Monday (Outdoor) and Wednesday (Indoor)

Rowan – Tuesday (Outdoor) and Thursday (Indoor)

Hazel Class – Monday (Indoor) and Wednesday (Outdoor)

Year 4 – Spring Term Theme: Heritage and Culture Building a Sustainable World

Key dates

Tues 6th Feb: Parent's Evening (3:30pm-6:30pm)

Wed 7th Feb: Parent's Evening (3:30pm-6:30pm)

N.B More details on swimming will be sent out in due course for P.E.

PSHE

Children will develop their understanding of their emotions especially how to deal with anger. Making sure that they are able to collaborate effectively with people that they come across.

Maths

In our maths lessons over this term, we will be learning the following topics:

- Multiplication
- Division
- Length and Perimeter
- Fractions
- Decimals
- Arithmetic (Every Friday)

Please ensure your child continues to practise basic number bonds and all their timetables up to 12, as these are the fundamental building blocks to maths.

Geography and History

In Geography we will be learning about Map Reading and Life on Earth.

In History we will be learning about the Romans and David Attenborough.

Science

Our topics will be 'Animals including humans'. Children will be learning about sustainability including reuse, recycle and reduce. In Spring Two, we will be learning about Sounds and looking how instrument makes sound and how it travels.
