

### English

Reading - All children will engage with quality literature and poetry which tell different stories from different people. All children will explore a diverse range of academic text with a focus on acquiring a deep and word rich vocabulary. We will use VIPERS for our comprehension skills.

Writing - All children will experience texts that reflect cultural, social and linguistic diversity, as well as introducing a world beyond the familiar. Focussed learning will be the foundation of every lesson with an emphasis on knowledge and skills that are spaced, progressive and revisited.

### RE

During RE lessons, we will be identifying what beliefs are. Identify how what challenges are faced by people based on their beliefs and how to overcome these challenges. Identify meaning from quotes and restate them in our own words. Comparing and contrasting people different beliefs. We will be focusing on the religion Hinduism.

### PE

Over the term we will be focussing on two topics in PE. In Outdoor PE the children will be learning object control in Rounders and Athletics. In indoor P.E, we will be continuing to focus on Fitness and Dance. Please ensure your child wears their PE kit to school on their PE days.

PE will take place on:

Cypress – Monday (Indoor) and Wednesday (Outdoor)

Laurel - Monday (Outdoor) and Wednesday (Indoor)

Rowan – Tuesday (Outdoor) and Thursday (Indoor)

Hazel Class – Monday (Indoor) and Wednesday (Outdoor)

## Year 4 – Summer Term Theme: Building an Inclusive World and Showasis

### Key dates

Summer Term Two: Showasis Events. This is where each class will showcase a performance or their work to you. Further details will be posted via Class Dojo nearer the time.

### PSHE

In PSHE, pupils will be learning about relationships. More details of these lessons will be shared with you in due course.

### Maths

In our maths lessons over this term, we will be learning the following topics:

- Decimals
- Money
- Time
- Shape
- Statistics
- Position and Direction
- Arithmetic (Every Friday)

Please ensure your child continues to practise basic number bonds and all their timetables up to 12, as these are the fundamental building blocks to maths.

### Geography and History

In Geography we will be learning about America and Mountains.

In History we will be learning about civil rights movements.

### Science

Our Science topics in the summer term are;

Summer Term One: Living Things

Summer Term Two: Electricity.
