

17th December 2022

Dear Parent/Carer

Invitation letter for Nasal flu vaccination for children – Years 7 - 11

I am writing to you to confirm on 25th January 2022, Oasis Shirley Park will be carrying out the Nasal flu vaccination for all students in years 7 – 11 who have consent for the vaccination.

I would like to ask if you wish to give your consent for your child to receive a nasal flu vaccination.

The children's flu vaccine is safe and effective. It is offered every year as a nasal spray or injectable vaccine to children to help protect them against flu. It can be a very unpleasant illness for children. It can also lead to serious problems, such as bronchitis and pneumonia. Children spread flu easily. Vaccinating them also protects others who are vulnerable to flu, such as babies and older people.

The main purpose of the Nasal flu vaccination programme is to provide protection to the children. During the flu vaccine delivery we will maintain the range of measures we have in place to keep safe from COVID-19.

By consenting you will be helping to play your part in reducing the risk of flu in the community. Consent forms will be digital this year. The link to the Flu Vaccination consent form is as follows:

<https://croydonhc-vaccination.verseonecloud.com/nasal-flu-vaccination-2>

Please follow the link to submit a consent form, ensuring you have included the correct information. If you do not wish for your child to receive the Nasal Flu vaccination, please complete the consent form indicating a no consent.

The deadline for form submission is **Friday 21st January 2022**. Any forms received after this will not be accepted. If you wish to change your mind once you have submitted a consent form, please inform the Immunisation Team or the school if it is the day of the session.

Yours sincerely

Mr Chaudhri
Principal, Secondary Phase and Sixth Form
