

7th January 2021

Dear Parents and Carers,

I write to you with two important updates. At the start of this year we ensured all students in an exam year (10 to 13) were given a device if they did not have a device at home for remote learning. The government has now confirmed all students in other year groups can now also access a device if they do not have access to one for online learning.

If your child needs a device for accessing online learning then you will need to do two things urgently. Firstly please complete this form in order for us to order your child a device:

Secondly, if your household needs internet access to dial into our online lessons, then we can do this in two ways. We can provide you with a 4G dongle that will allow your devices to connect to the internet or alternatively, if your child's mobile phone contract is with one of the following mobile phone providers, we are able to request free data for your child's device:

- Three mobile
- Smarty mobile
- Virgin mobile
- EE
- Tesco mobile
- Sky mobile

If you need access to the internet to connect to our remote lessons then please complete the form here:

Lastly, if your child currently cannot access the internet, they are classified under new government guidelines as 'vulnerable'. This means any such children should attend school to access their online learning. We are continuing to call home each day for children with no devices and should this be your child then we ask that you begin to send them into school each day to attend the Ivy Club, I attach a flyer of this provision to this letter. Please contact your child's Head of Year if you wish to utilise this provision for this reason.

Should you need anything else, please do get in contact. In these busy times it may be easier to get in contact via email rather than calling the main Academy office. As such, I list below the email addresses for each Head of Year:

Year 7	Trudi.Bromwell@oasisshirleypark.org
Year 8	Rosemarie.Stevens@oasisshirleypark.org
Year 9	Yemi.Hughes@oasisshirleypark.org

Thank you for your ongoing support.

Yours sincerely,

Saqib Chaudhri
