In order for students to perform to the best of their abilities, it is important students arrive on time to school during the examination period. It is also important that they arrive with all relevant equipment.

It is also important that Year 10 students take the next 3 weeks to revise the content coming up in their exams. To help with this, we have created a revision folder on Teams that all Year 10 students can access. The expectation is they revise for roughly 1 hour per day using the material in this folder. There will also be assignments set on our online quizzing platforms Sparx, Carousel, and Seneca. The expectation is all assignments are completed.

We are hoping for a strong performance from Year 10 in the upcoming mocks and would like to see them take the revision and exam window seriously. Your support in making this happen is greatly appreciated.

If you have any questions, please do not hesitate to contact either Mrs Stevens or Mr Vallance.

Yours sincerely,

R Stevens
