

Friday 10th June 2022

Dear Parents and Carers,

Year 11 and Year 13: iPad Return and Collection

It is time for your child to return their iPad back to the Academy. At the beginning of the academic year, we wrote to you about the horizons project. As a trust we wanted to take a step forward in our offer to our young people and their families, to ensure we address inequality that exists outside of the classroom, and to ensure that everyone has the opportunities that they are entitled to. We are proud to have been able to offer this to all our young people to aid them reaching their full potential and support with preparation for their exams.

As we come to the end of the summer exam series for 2022, the academy is now organising the return and collection of iPads from students. In the home use agreement that was signed by students and parents/carers before devices were issued it stated that “all items of equipment issued including hardware and software remain the property of Oasis Community Learning...”. When issued students were provided with an iPad, a rugged case, an apple 20A charger and cable, all in a box.

During their allocated window, which will be communicated shortly, students will be required to return to the Academy; their iPad, rugged case and charger. The device, case and charger will be checked upon return to ensure they are functional and free from damage. As per the home use agreement that parents/carers signed, any loss or damage to items should have been reported immediately to the Academy. In the event an item is returned and is damaged and/or not working, the Academy will be in contact with respect to a subsidised cost for this repair/replacement.

We thank you for your support and wish your child a successful end to their exams.

Yours sincerely,

D Anderson
