THE COMMUNITY, BUILD  
BRIGHT FUTURES**

*Message from Mrs Botley*

Dear parents and families,

It was so wonderful to see lots of you at the various Christmas events over the last week. It made me realise how much we missed these events during covid. I hope that you enjoyed everything you attended; thank you so much for coming and joining in the festive cheer.

We have lots to look forward to this weekend – our football sweepstake will end this Sunday, as the Men’s Football World Cup Final will tell us which class has won – Damson (Argentina) or Hawthorn (France)!

Lower School families – when we come back in January, contractors will be on site working on our shelter for the playground. We may have to change a few things around pick up for Year 3 – bear with us as we take each day as it comes. The works should be finished by Friday.

During the holiday Croydon Council have released information about Warm Spaces around the borough please click on the link to see where they all are: <https://www.croydon.gov.uk/warm-spaces-directory>

We have just had a great afternoon of Christmas parties, full of dancing, singing, games and fun. A lovely way to end the term.

Have a wonderful restful Christmas and New Year, and we will see you in 2023, at the usual time on Wednesday 4<sup>th</sup> January.

Mrs B

Wishing you and your family health,  
happiness, peace and prosperity this  
Christmas and in the coming New Year.

## IMPORTANT – HEALTHY SCHOOL STREET TRIAL

### Changes are coming to your street

### Stroud Green Way & Swinburne Crescent Healthy School Street

Croydon Council will trial a new Healthy School Street scheme on Stroud Green Way and Swinburne Crescent to benefit pupils and staff of Oasis Shirley Park – Stroud Green Campus, as well as local residents. This leaflet offers information on Healthy School Streets and explains how the trial scheme will work.

#### What are Healthy School Streets?

Healthy School Streets help pupils to make safer, healthier journeys to and from school, by closing the surrounding roads to cars and other motor traffic during busy school drop-off and pick-up times. This will not affect residents' access – if you live in those roads, you will be able to apply for a free exemption permit starting 12 December 2022.

These temporary closures encourage parents and carers to leave the car at home more often for the school run, and instead choose more sustainable and active means of travel, such as walking, cycling, or scooting. This leads to a reduction in traffic congestion, noise, and air pollution, so the streets are safer and more appealing for pupils making healthier journeys.

School Streets are also used to address traffic issues faced by residents living close to schools, where blocked driveways and congested junctions have made it very difficult for neighbours to enter and exit their own homes.

Croydon has put in 24 Healthy School Streets across the borough since 2017. You can learn more about how they work and find a full list of locations on the council website.

#### Benefits of Healthy School Streets:

- ✓ Safer, quieter streets
- ✓ Make it easier to choose sustainable travel like walking and cycling more often
- ✓ Improve local air quality
- ✓ Help to tackle the climate crisis and achieve a carbon-neutral Croydon by 2030
- ✓ Encourage active travel to promote healthy lifestyles

#### Why are we proposing to trial a scheme on your street?

The Healthy School Street is being proposed in response to requests received from the school and residents to address concerns around poor driver behaviour, congestion, road safety and pollution from high volumes of traffic. The extents of the School Street include both Stroud Green Way and Swinburne Crescent to address congestion and poor parking practices during school drop off and pick up times.

#### How will the experimental Healthy School Street work?

Stroud Green Way and Swinburne Crescent will become a Pedestrian and Cycle Zone only (except for those eligible for exemption permits, and buses) between the hours of 8- 9.30am and 2 - 4pm from Monday to Friday, during school term time only. You can see how this will work in more detail in the drawing we have enclosed.

Advanced warning signs will be installed on approach and at junctions informing motorists of the Healthy School Street and closure times. The scheme will be enforced using Automatic Number Plate Recognition (ANPR)

cameras, which will only capture registration numbers of vehicles entering the Healthy School Street during operational hours.

The scheme will be live from 23 January 2023.

#### Free Exemption Permits

Residents living within the zone will be eligible to apply for a School Street Exemption permit from 12 December 2022 – free of charge – so they can drive through the closures without receiving a Penalty Charge Notice. In addition, the council will automatically exempt other motorists, such as emergency services or refuse vehicles.

The Healthy School Street permit scheme is separate to any existing Controlled Parking Zone (CPZ) permit scheme in place. Anyone with a CPZ permit, must still apply for a Healthy Streets Permit.

You can apply for free exemption permits for up to three vehicles, starting on 12 December 2022.

Applications can be made via the council website at: [www.croydon.gov.uk/hssp/permits](http://www.croydon.gov.uk/hssp/permits)

For queries about exemption permits please email: [schoolstreets@croymon.gov.uk](mailto:schoolstreets@croymon.gov.uk)

#### What is an Experimental Traffic Management Order?

The scheme will be implemented as a trial under an Experimental Traffic Management Order (ETMO) for up to 18 months. **The first six months is known as the statutory objection period, during which those affected by the trial scheme can submit formal objections if they wish.** Introducing a scheme under an ETMO allows the council, school, and others to experience its true effects. The council collects this feedback during the first six months and will use it to make any necessary changes if a decision is taken to make the scheme permanent. For further information on Healthy School Streets, ETMO process and permits please visit: [www.croydon.gov.uk/school-streets](http://www.croydon.gov.uk/school-streets)

#### How do I give my views?

The trial process of an ETMO is designed to allow residents, businesses, schools, and other stakeholders time to experience the scheme, and then come forward with any issues or suggested amendments that could make the scheme work better and achieve its goals.

You will only be able to submit objections from 23 January 2023 to midnight on 23 July 2023 via the following three methods, and responses received before or after these dates will not be accepted.

- 1) Online: complete our online form at: [www.getinvolved.croydon.gov.uk](http://www.getinvolved.croydon.gov.uk)
- 2) Email: submit your objection via email to [oasis@croymon.gov.uk](mailto:oasis@croymon.gov.uk). Please ensure that you insert the reference SHIRLEY PARKSS/2023 in subject line and only write in from 23 January 2023.
- 3) Post: send your response quoting scheme reference SHIRLEY PARKSS/2023 to Highway Improvements Team, Bernard Weatherill House, 8 Mint Walk, CR0 1EA, to arrive by 23 July 2023. Please provide your full postal address if you would like us to record and consider your views.

Enquiries: for any queries – excluding queries about exemption permits – please email: [healthyschoolstreets@croymon.gov.uk](mailto:healthyschoolstreets@croymon.gov.uk) including the scheme reference. If you require the materials in another format such as a physical copy, braille or in a larger font size, contact us by phone on 020 8726 6000, 9am-4pm Monday – Friday or via the email address above.

Good attendance and punctuality are important to establish positive habits. Late arrival in the morning can be detrimental to your child's education and result in disruption for their class. It can lead to missed introductions to lessons and the loss of many bespoke activities planned for your child. It can cause your child the distress and embarrassment of being late.

We celebrate good punctuality and attendance in a few ways at the academy. Each week, the class with the highest attendance from each year group are celebrated in assembly and rewarded with the attendance cup!

Please ensure that your child/children get into class by 8.50 am every day. Both campuses are open from 8.30 am each day to give parents enough time to walk between the Lower School and Middle School.

Please remember to report your child's absence you can email [primaryadmin@oasisshirleypark.org](mailto:primaryadmin@oasisshirleypark.org). Our phone lines can be very busy between 7:30-9:00am each morning and we apologise in advance if we miss your calls.

We are delighted to announce that our Oasis Essentials Cupboard will officially open next term. We understand that things are extremely difficult now with the rise in cost of living.

We have dried food items and toiletries. To enable you to access this facility, please speak with either our Safeguarding Team, Mrs Joyce Udu or Miss Saundercock. You can also self-refer directly to Miss Saundercock via email [primaryadmin@oasisshirleypark.org](mailto:primaryadmin@oasisshirleypark.org). The process will be that you are allocated a time of 15 minutes during the school day to come and collect the items of necessity needed. Please remember to bring your shopping bag 😊. If you do not require this facility but would like to donate, there will be a box in both lower and middle school playground to drop your items into.

Have you thought about joining our Shirley Park Family? We'd love to invite you to our parent and child

## Nursery News

This is the end of the Autumn Term and end of 2022! We had a wonderful term with our children; we are immensely proud and happy how quickly they have settled, enjoyed learning in Nursery.

After the holiday, we will begin the Spring Term with our topic People Who Help Us. We will be learning about people around us and how they help us. Please discuss with your child who helps them and they help others.

In numeracy we will continue learning to link numerals to amounts and to use **positional language** to be able to understand position through words alone – for example, “The bag is **under** the table,” – with no pointing. Other positional language includes **behind, next to, on top of, beside**

First week, we shall play games using the sounds that we have been learning last term.

**Discovery Day:** We are delighted to welcome you into our academy to find out more about our Early Years Foundation Stage offer, and what life would be like for your little one here with us at Oasis Academy Shirley Park. Meet our principal and teachers at our Discover Day on **Saturday 7th January 2023** at our Lower School campus (Stroud Green). Bring your children for a fun morning of activities.

**Key dates:**

**Wednesday 4<sup>th</sup> January 2023:** First day back of school – normal start time

**Saturday 7<sup>th</sup> January 2023:** Discovery Day 10:00-12:00am Lower School

**Tuesday 10<sup>th</sup> January:** PTA AGM – 3.30 at the Middle School

**Friday 27<sup>th</sup> January:** Quiz Night at the Middle School

**Tuesday 6<sup>th</sup> February:** Parents Evening 3.30-6.30

**Wednesday 7<sup>th</sup> February:** Parents Evening 3.30-6.30

**Friday 24<sup>th</sup> March:** Quiz Night at the Middle School

**Saturday 20<sup>th</sup> May:** Spring Fair – Middle School

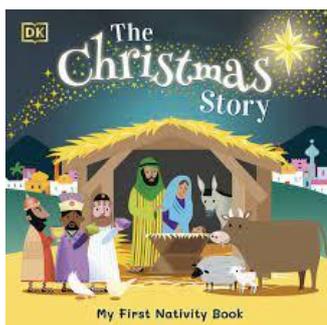

**Tuesday 20<sup>th</sup> June** – PTA AGM – 3.30 at the Middle School

If you need to contact the Nursery, please message us on Class Dojo or via email, by using this email address [spa.nursery-stf@oasisshirleypark.org](mailto:spa.nursery-stf@oasisshirleypark.org)

Have a wonderful weekend.

Kindest regards,

## Reception News

We have had a busy half term in Reception! The children have all worked very hard, it has been lovely to watch their confidence and skills grow. The children did amazingly well in our Nativity; it can be very daunting having an audience and we are all extremely proud of how confident they were and how amazing their singing was!

Next term our topic will be **Castles and Knights**. Please spend some time talking to your child about who might like to live in a castle, and what a castle might look like.

Please spend some time over the half term reading with your child, children can also continue to look for numbers and sounds in the environment and use educational apps on their iPad.

We hope you all have a restful break, and we look forward to seeing you all in the New Year!

## Year 1 News

We have had a lovely week and the children have had lots of festive fun. We were all very proud of how the children showed their self-control at church. Next term, we will be starting a new book called George and the Dragon by Chris Wormell and focusing on the author's style of writing. In Reading we will be studying Boys by Lauren Ace.

In Maths we will continue our learning of adding and subtracting using numbers between 1-20.

Our first week back it is **Safeguarding Week**. During this week we will cover safe adults, who they can trust, Pantosaurus and internet safety. The year 1 team would like to wish all that celebrate Christmas a Merry Christmas, and those that do not we hope you have a restful break. We look forward to seeing you bright and bushy tailed on Wednesday 4<sup>th</sup> January. Thank you to all those who attended our visit to St Luke's church, it was lovely to see the children a trip out in our local community. Lastly, another thank you to everyone who was able to join us for our Craft event across Years 1, 2 and 3. The children thoroughly enjoyed getting to create something special with each other. We can't wait to do more things together in the future!

Weekly homework sheets (spelling and maths sheets) do not need to be handed in.

## Year 2 News

The Year 2 team would like to congratulate all our excellent pupils for all their magnificent hard work this week. It has been a delightful sharing our achievements together and spreading joyfulness around the school. This week was Human Rights Week and pupils will be exploring what it means to be a place of welcome for all. In English, this week pupils will be writing the end to their narrative. In maths, pupils will be revising all their newly developed skills they have learnt this term. In PE pupils will be displaying their newly developed skills. In art this week pupils will be drawing and painting wreaths. We would also like to say a huge thank you to all those who attended our visit to St Luke's Church, it was lovely to see the children a trip out in our local community. Lastly, another thank you to everyone who was able to join us for our Craft event across years 1, 2 and 3. The children thoroughly enjoyed getting to create something special with each other. ## Year 3 News

It's hard to believe that we have made it to the end of term already! Over the past seven weeks, the children have continued to impress us with their hard work and perseverance. We have enjoyed learning about a variety of things, from the life of Ancient Egyptians to the formation of different rocks, fossils, and soil. After the Christmas holidays, we are looking forward to beginning our new topics on the Stone Age and Super Scientists.

For the new term in our writing sessions, we will be beginning our new story, Leon and the Place Between, and will spend time learning more about the author. In maths, we will be learning how to multiply 2-digit numbers by 1-digit numbers, and in science, we will be learning about Mae Jamison and how she impacted our world. In history, we will be beginning our new topic on The Stone Age, and in DT, we will be learning how to colour fabric using a natural dye. Thank you to all those who attended our visit to St Luke's church, it was lovely to see the children a trip out in our local community. Lastly, another thank you to everyone who was able to join us for our Craft event across Years 1, 2 and 3. The children thoroughly enjoyed getting to create something special with each other. ## Year 4 News

What a wonderful term it has been, and this is all thanks to the children's effort and your support. We would like to thank you for your continued care and enthusiasm. It has been a great last week of term for the Year 4s. We had our Carol Service in St Luke's Church. The children, along with the choir, sang beautifully and we hope you enjoyed listening to them and admired their fabulous efforts. We also started the week with snow and the children were able to enjoy a bit of fun having snowball fights and making snow sculptures. Thank you to all those who attended our visit to St Luke's church, it was lovely to see the children a trip out in our local community. Finally, we ended the week with a fun Christmas party!

For next term, we are going to be continuing our Times Tables, so please ensure that children are continuously practising their Times Tables to prepare for the Year 4 Times Tables check in June. Furthermore, in English we are going to be doing an author study on the book by Kate DiCamillo called The Miraculous Journey of Edward Tulane. A PDF copy of the book will be made available in the Literature folder on Showbie. Please encourage the children to read the first 2 chapters to familiarise themselves with the text.

## Year 6 News

What a wonderful Christmas week we have had in school! We enjoyed a delightful Christmas carol service with Father Sam at St. Luke's Church – thank you to all of you who came too; it was lovely to see the children a trip out in our local community.. When we return in January, we will be starting a new book called 'Letters from the Lighthouse' which links with our new history topic of World War 2. In maths, we will be continuing with geometry. We are also excited to begin our unit on DT focusing on Mechanisms.

We hope that you and have a wonderful Christmas season and safe and happy new year.

## The Orchard News

This week we continued reading the book *The Jolly Christmas Postman*, by Janet and Allan Ahlberg. As mentioned before, this is a lovely, enjoyable and festive picture book. It's Christmas Eve and the Jolly Postman is delivering greetings to various traditional fairy-tale characters, eg, Baby Bear from Goldilocks and the Three Bears and Red Riding Hood.

We have been working on retelling the story, describing the characters and the setting. We have also been busy writing letters to Father Christmas and making festive cards for our friends and family. We have been watching and listening to the stories within the story. Thank you to all those who attended Sycamore's visit to St Luke's Church; it was lovely to see the children a trip out in our local community.

In maths, we have continued to focus on geometry: 2D/3D shapes, their properties and what the shapes can be used for in making objects. In PSHE, we have been learning about British values and in art, we have continued to make Christmas decorations and cards. In RE over the last few weeks we have focused on Christianity.

**PE:** All groups in The Orchard will now take their PE lesson together on **TUESDAY** morning. (Olive and Willow to bring PE kit to school, children will then remain in kit for the rest of the day. Sycamore to come to school ready in their PE kit.)
